The reading of the Minutes was dispensed with.

The City Manager submitted to the Council a tabulation of bids received on the 4th instant for the purchase of the four houses and three building sites adjacent thereto situated within the right-of-way lines of the proposed South Congress Avenue extension.

Councilman Gillis moved that the bids of S. P. Tadlock for House No. 1, House No. 2, Lot A and Lot B, in the amount of \$3,510.00; F. C. Odell for House No. 3, in the amount of \$676.50; H. Joseph for House No. 4, in the amount of \$802.00; and W. L. Moore for Lot C, in the amount of \$800.00, the total of said bids being \$5,788.50, be accepted and the City Manager be authorized and directed to execute all necessary papers for the sale of said properties to said bidders and to return the certified or cashier's checks of the unsuccessful bidders. The motion was seconded by Councilman Alford and carried by the following vote: Ayes, Councilmen Alford, Bartholomew, Gillis, Mayor Miller, and Councilman Wolf, 5; nays, none.

The petition of property owners asking for a change in the zoning classification of property contiguous to the intersection of East 45th and Red River Streets was referred to the Board of Adjustment for a report on the matter and the Building Inspector was instructed to issue no permit for store or other business in this district while the matter is pending.

The application of Mrs. J. K. Eichelberger, owner, by Henry Wendlandt, agent, for a change in the zoning classification of Lot 4, less the north 12½ feet, and all of Lot 5, in Block B-7, Sweetman Addition, known as 2008 South Congress Avenue, from Commercial "C" District to Industrial "D" District, in order to permit the establishment of a lumber yard

at this location, was read. A letter from the Southside Development Association indorsing the application, provided no planing mill be operated on the premises, was also read.

It appearing that the erection of what is commonly known as a "dry" lumber yard is permissible in a Commercial "C" District, the matter was referred to the City Manager to have the permit granted, with the stipulation that no manufacturing or industrial use be made of the premises.

The request of M. H. Crockett for permits to erect a gasoline filling station on South Congress Avenue approximately three hundred feet north of its intersection with Riverside Drive and to widen the driveway at the Gulf Filling Station at the intersection of Barton Springs Road and South Congress Avenue was referred to the City Manager for recommendation.
